Proceeds of this rally will benefit two charities; Iverson Foundation for Active Awareness and the Murphy Auto Museum. We encourage you to socialize this rally to your family and friends, especially to the community of first responders.

The mission of the Murphy Auto Museum is to collect, preserve, exhibit and interpret the history and heritage of the American automobile. We celebrate the automobile and educate the general public, students and enthusiasts regarding the role of the automobile in the Tri-County area.

The museum currently has over 90 vintage and classic vehicles on display, from 1903 to present day, contained in a 30,000 square foot museum space. In addition to the vehicles on display, the museum also has quarterly exhibits featuring different marques which feature borrowed automobiles from other museums, or visiting cars from private collectors.

The museum is also home to the Gold Coast Modular Railroad Club which operates a working 1,800 square foot model railroad. With over 26 scale miles of track, the trains are beautiful to watch.

Please visit the museum's website for information regarding current and upcoming exhibits. The museum is open every weekend (except holidays) from 10:00 - 4:00.

The Murphy Auto Museum is a 501c3 non profit organization.

3RD ANNUAL MEMORIAL
CAR RALLY HONORING
CORY IVERSON

October 20, 2018

RALLY DETAILS

The rally will take its participants on a beautiful drive through Ventura County's backcountry, some of the cities which are shown below. Each car will have a driver and a navigator. A rally map will be given to the navigator at the start of the rally. At each checkpoint along the route, a poker card will be given to the driver/navigator, as well as a fun activity to be played. Lunch will be served at a stopping point along the rally route, and rally participants will end their day at a festive after rally party at The Murphy Auto Museum. Ashley Iverson will be present at the after party in Oxnard. The rally is open to the first 50 cars, classics, and modern day automobiles. Sponsorship levels are shown below.

In Memory of Cory David Iverson

This year's rally is in honor of Cory David Iverson who lost his life on December 14, 2017, while battling the Thomas Fire in Fillmore, California. The following biography was written by Ashley Iverson.

Cory was born January 5, 1985, in Escondido, California and was raised by his mother and fathers, two brothers and a sister. In 2008, Cory started his first firefighting job volunteering at Elfin Forest/Harmony Grove Fire Department. Later, he became a certified EMT and completed Fire Technology classes at Palomar College. Later, he was offered a position of Fire Apparatus Engineer in the San Diego Unit of Cal Fire. His superiors knew they could count on him to perform his job with perfection.

On September 8, 2012, Cory had an R&R weekend and met Ashley. The two were instantly connected and just over 18 months later, were married on a beautiful misty morning, surrounded by 50 of their closest friends and family. On February 12, 2015, their baby girl, Evie Rose Iverson, was brought into the world. In 2017, the Cory and Ashley found out they were going to be parents again and in 2018, his second daughter, Taylor, was born.

Cory was the most dedicated and compassionate man you would ever know. His true passion was helping others. Along with his dedication to his career, he was simply the best husband and father a person could be. He continues to inspire and motivate. Ashley has made it her life purpose to continue Cory's legacy.
